

## Central & East Yorkshire Wing - VPN Calendar

The below events are either being provided by CEYORKS Wing or individual units who have kindly opened up their event for cadets of our wing to enjoy. Please make every attempt to pre-register your interest in the usual way via cadet portal. If you are struggling the links below will take you directly to the session at the start time.

| Date                         | Event   | Staff Lead                             | Provided By                  |
